Movie Night

On Thursday, June 23, 2011 the Higher Education Mentoring Program hosted Movie Night at OCBF. Senior students had the opportunity to network, share their senior year concerns and enjoy snacks and pizza. HEM 2011 Graduates, Karla Cabanas (San Francisco State), Maribel Morales (Hampshire College), Yashira Avendano (Chapman) and Veronica Herrera (UCD) shared their senior year experience and provided students with useful tips. For example, to start college applications early, use summer as an opportunity to research schools/majors and practice time management skills.

Students watched the movie *College Road Trip* with Martin Lawrence and Raven Symore. It was a comic eye opener for students to see how difficult it can be for a parent to see their child go away to college. The movie gave students the chance to think about sharing their colleges of interest early with their parents.
