Program Details:

- **Intensive case management** services are provided to assist youth in overcoming barriers, setting goals, developing life skills, and career exploration. Case managers meet one on one with youth and mentor them throughout the program.
- Youth are required to attend our monthly **personal and professional development workshop** to expand their knowledge and skill set.
- **Experiential learning opportunities** such as internships, apprenticeships, job shadowing, and campus tours may also be available through the program.
